

ANNOUNCEMENT

The Spring Creek Chapter of Trout Unlimited is pleased to announce three 2020 Winter Season opportunities to learn about and enjoy the sport of fly fishing or to improve your existing skills. Please read carefully to select the program that best meets your needs and skill level.

This education program is open to all who are interested and is administered and provided by the Spring Creek Chapter of Trout Unlimited and the Veterans Service Program.

All sessions will begin starting Saturday, January 11, 2020 and continue through March 14, 2020. Sessions will take place at [South Hills School of Business & Technology](#) located at 480 Waupelani Drive in State College from 1:00pm to 3:15pm each Saturday. South Hills is located behind the State College YMCA on Whitehall Road. Additional parking is located behind the school, off of Waupelani Drive.

Contact Larry C. Ragan, SCCTU VSP Training Coordinator at lcr1@psu.edu for more information. No pre-registration is required except for the Intermediate Fly Tying Course, registration for which will be held on site.

SPECIAL PROGRAM ANNOUNCEMENT
South Hills "Picnic in January"

South Hills School of Business & Technology will host a "Picnic in January" on January 11th, 2020 before the start of the Fly Fishing 101 program. This program begins at 11:00am and will include a picnic lunch and information sessions on educational opportunities offered by South Hills, as well as strategies to use Military Benefits. Please check out these programs at <https://www.southhills.edu/get-started/> Call Jeff for details (814) 234-7755 or email at jstachowski@southhills.edu

SCCTU Winter Education Fly Fishing Series 2020

All program offerings will be held at South Hills School of Business & Technology

Time: 1:00pm–3:15pm Saturdays

Location: South Hills School of Business & Technology, 480 Waupelani Drive, State College, PA 16801

Registration: On site

Contact: Larry Ragan (lcr1@psu.edu) or 814-404-0834

I. Fly Fishing 101: An introduction to the basics of fly-fishing including equipment, tackle selection, insects, flies, and streams, approaches and techniques.

January 11–February 1

- January 11: Overview of Fly Fishing and Approaches and Presentations
- January 18: SMART Fly Fishing and Casting Techniques
- January 25: Decoding the Equipment and Knot Essentials/Where to Find Fish in Central PA
- February 1: Fish, Bugs, and Flies that Fool 'Em! Our Local Waters

II. Basic Fly Tying Course: An introduction to the art and science of fly-tying. All materials and equipment will be provided.

February 8–March 14

- February 8: Green Weenie or San Juan Worm or Mop Fly
- February 15: Woolly Bugger or Clouser Minnow
- February 22: Zebra Midge, Walt's Worm
- Feb 29: Frenchie, Pheasant Tail Nymph
- March 7: Personalized Practice Session
- March 14: Graduation & Certificate Presentation - PFBC Fisherman's Paradise

III. Intermediate Fly Tying Course

This class will consist of a maximum of eight (8) seasoned fly tyers with their own vises (a few vises are available for intermediate students) and tools and a more than "basic knowledge" of fly tying. Course materials will be provided.

February 8–February 29

IV. Fly Fishing Skills

- **January 25: Dry Fly Fishing Techniques** (various local experts)
3:30–4:30pm
This session will focus on the most effective techniques of dry fly fishing. A review of timing, fly selection, presentation, and tips of the trade for successful outings will be shared by local experts.
- **February 8: Dynamic Nymphing** (George Daniel)
3:30–4:30pm
This session will focus on the most effective techniques of subsurface fly fishing including, wet flies, nymphing, and streamers. A review of timing, fly selection, presentation, and tips of the trade for successful outings will be shared.
- **February 22: The Art and Science of Fly Fishing** (various local experts)
3:30–4:30pm
This session will feature insights from a variety of fly-fishing experts sharing their insights and tips for enjoying and mastering the sport of fly fishing.
